Voicing Regrets

"You may not like my burglar, but please don't damage him."	"I wish the Ring had never come to me."	"War will make corpses of us all."	"Don't leave me here alone. Don't go where I can't follow."	"I would have followed you. My brother. My captain. My king."
"Yea, I will drink thy blood gladly, that so I may forget the blood of Beleg my master, and the blood of Brandir slain unjustly. I will slay thee swiftly."	"If more of us valued food and cheer and song above hoarded gold, it would be a merrier world."	"If the Men of Hithlum are so wild and fell, of what sort are the women of that land? Do they run like deer clad only in their hair?"	"You will give me the Ring freely! In place of the Dark Lord you will set up a Queen. And I shall not be dark, but beautiful and terrible as the Morning and the Night!"	"Never laugh at live dragons, Bilbo you fool!"
"Go now, and die in what way seems best to you."	"That was the most awkward Wednesday he ever remembered."	FREE SPACE	"Thief, thief, thief! Baggins! We hates it, we hates it, we hates it forever!"	"And some things that should not have been forgotten were lost."
"I don't know half of you half as well as I should like; and I like less than half of you half as well as you deserve."	"I didn't think it would end this way."	"Go back?" he thought. "No good at all! Go sideways? Impossible! Go forward? Only thing to do! On we go!" !	"Why O why did I ever leave my hobbit-hole?"	"I must take care not to say such things again."
"It does not do to leave a live dragon out of your calculations, if you live near him."	"A wizard should know better!"	"I think we might have made a mistake in leavin' the Shire, Pippin."	"We don't want any adventures here, thank you!"	"He hated it and loved it, as he hated and loved himself."
